

Dear Potential Sponsor,

ArtSparks is an educational outreach program founded on the belief that the arts play a vital role in fostering skills essential to the optimal development of every child. Through in-school residencies, community partnerships, and interactive performances, ArtSparks brings quality dance and music programming to children who may not otherwise receive access to arts education. ArtSparks serves over 2500 children in Akron, Cuyahoga Falls, and across Northeast Ohio each year.

ArtSparks champions four core principles as being essential to success for our students:

- The persistent pursuit of personal excellence
- Respect for others and themselves
- A life-long love of learning
- And finding joy in working hard to achieve a goal

We know that when children are encouraged to be their best and are given the opportunity to discover the excellence within, lives are transformed. They think BIGGER, they strive HARDER, and they BELIEVE they can ACHIEVE - in our classrooms and in their lives!

We are looking forward to successful culminating performances in the spring of 2022; however, our annual budgetary demands are great. Funds are required to cover show rehearsals, musical accompaniment, props and costumes. Without the support of community members and local businesses, we would be unable to adequately provide our dancers with the incredible opportunity to discover their full potential and to shine in front of an audience. If you would like to give the children of our community the chance to be inspired and motivated to be their best selves, please complete the attached form. While any amount would be greatly appreciated, we have the following Sponsorship Levels:
